

FS&T Exam Preparations

A exam preparations:

At least 7 days prior to the exam

- Reserve your room for exam
- Submit online exam scheduling form: <https://gradschool.cornell.edu/forms/>
- Send exam proposal to your special committee (*check with your lab mates- they may have A-exam proposal examples to share*)
- Request lab mates sit for a practice exam to give you feedback
- Send Erin the title of your presentation
- Send Erin the zoom link (if applicable)

Within 3 days of taking the exam

- Submit the online results form (you will be sent a link to the form from the Grad School)
- Send Erin your assessment rubrics (either you or your committee members can send them)
