• If you are seeking a Health Leave of Absence, do not complete this form. Please visit Gannett Health Services.

NON-REGISTERED STATUS

Students on leave of absence are placed on non-registered status at the University. More information can be found in Graduate School’s Code of Legislation, www.gradschool.cornell.edu/code.

LEAVE OF ABSENCE

A leave of absence can be granted for personal or health reasons, but the process is different for each type of leave.

A health leave of absence requires filing with Gannett Health Services. More information is available at https://www.gannett.cornell.edu/services/leaveofabsence.cfm.

The maximum number of years allowed for leave of absence is four. To register after the four-year limit, an individual first must apply for readmission. A student who takes a leave of absence relinquishes the access to campus facilities and personnel that normally accompanies student status. However, students are eligible to enroll in the Student Health Insurance Plan (SHIP) for a period of up to 12 months by contacting the Student Insurance Office at (607) 255-6363. Upon registration after a personal leave of absence, a student is not guaranteed continuation of the financial aid package offered at the time of original admission to the Graduate School.

U.S. Government regulations require that a student holding a non-immigrant visa who takes a personal leave of absence must either (1) leave the US within 15 days or (2) apply for optional practical training before the effective leave of absence date. Before leaving Cornell, such a student taking a leave of absence should contact Graduate School Student Services and the International Students and Scholars Office for information on maintaining visa eligibility for re-entering the United States.

REGISTERING AFTER A LEAVE OF ABSENCE

A student who wishes to register following a leave of absence or a withdrawal should consult the Code of Legislation, www.gradschool.cornell.edu/code and contact the staff in CALS Professional Programs Office, 212 Kennedy Hall. A student may register upon written request to CALS Professional Programs Office, calsprofprograms@cornell.edu without reapplying, as long as renewal of the leave of absence was granted by the field each year without interruption and the student has not been on a leave of absence for more than 4 years.

Students should email the staff in CALS Professional Programs Office, calsprofprograms@cornell.edu, at least one month prior to their return, so their registration can be rejoined. International students must consult the International Students and Scholars Office before returning.

If the leave of absence was for health reasons, registration requires prior approval of the University Health Services or another appropriate health care professional as well as the graduate field and Graduate School.
