- Search Process Procedures: https://cals.cornell.edu/about/leadership/sad/appointment-procedures/academic-hiring

- Securing the best pool of candidates
  - Develop a detailed Search Plan - See examples at link above and review best practices provided by the Office of Faculty Development and Diversity (OFDD) at: http://facultydevelopment.cornell.edu/recruitment/
  - Submit Search Plan for approval by your Senior Associate Dean.

- Once search plan is approved:
  - Advertising: work with Tam Shollenberger (tms6, 5-0253 or 85-0253 via tie line).
  - Implement plan!

- Collecting data on applicants:
  - Academic Jobs Online (AJO) is a data management tool that facilitates the exchange of candidate information for search committee members and the person providing administrative support for the search. Please contact your unit’s HR rep. about this resource prior to placing advertisements, as you might need to direct applicants to specific AJO websites.
  - Discuss as a committee how it will use AJO, how different qualifications will be weighted, and what form your recommendation to the unit will take.

- Following unit review, unit chair/director requests permission to interview candidates
  - SrAD approval will require a summary of why you recommend the particular list of interview candidates and not others from the top group (e.g. other candidates in the top ~10)

- Scheduling visits: **Before offering dates to any candidate**, confirm your SrAD’s availability for a 30-minute meeting. If you arrange travel before confirming your SrAD’s availability, **you may need to reschedule the visit** if your SrAD has an immovable conflict.
  - For SrAD Amy McCune’s units, contact Alley Pelletier (akp28 / 4-6765) prior to making travel arrangements.
  - For SrAD Beth Ahner’s units, contact Anne Marie Sheridan (ams53/ 5-4677) prior to making travel arrangements.
