COLLEGE CURRICULUM CHARGE

Number of Members: One voting faculty member appointed by each major field of study in the College and 3 student members. Ex-officio members are the Director and Associate Director of Academic Programs, some staff from the Office of Academic Programs, and a representative of Mann Library.

Committee Chair: Elected annually by the committee from its faculty membership

Lengths of Terms: Students: 1 year
Responsibilities:

The Committee is a Standing Committee of the College charged with the primary responsibility for curriculum matters in the College, including:

1. The philosophy, nature and maintenance of the distribution requirement.
2. The consideration and approval of new courses, changes in course offerings and deletion of courses and cross listing.
3. Create or revise college policies in undergraduate education. Major policies are presented to the CALS Faculty Senate for discussion and approval.
4. Informing major fields of study, departments and faculty on issues relating to curriculum including appropriate credit hours for courses.
5. Providing guidance on course scheduling matters to the Director and Associate Director of Academic Programs; and
6. Inter college programs within Cornell University and the United States.
