Northeast Agribusiness and Feed Alliance Partners Sesquicentennial Fellow in Dairy Cattle Nutrition and Environmental Modeling
THE NORTHEAST AGRIBUSINESS AND FEED ALLIANCE COMMITMENT

- Voted at Annual Meeting and Forum on March 3, 2014 to spearhead fundraising efforts for a Faculty Renewal Initiative position in Dairy Nutrition and Environmental Modeling

Dairy Nutrition and Environmental Modeling

- Extension and Research related to the use of nutrients by dairy cattle
  - integration of the efficiency of nutrient use with nutritional modeling
  - nutritional influences on milk components
  - integration of forage/crop and feeding systems at the farm level
  - integration of nutrition and health in dairy cattle
- Regional focus to extension programming
- NEAFA Board involvement with hiring process

- Campaign spearheaded by
  - Charlie Sniffen
  - John Mitchell

- Goal of completing successful campaign by December 2014
