

Hands-On Horse Record

We are happy to start the NYS 4-H Horse Program Hands On Horse Record. This log sheet isn't just for those NYS 4-H youth who ride, it is riding, driving, and groundwork as well! Log your hours with your horse(s)! Please use different sheets if you are working with more than one horse. This program will run from January 1st 2022 through December 30th 2022. Logs should be submitted to Jessica Tyson at jms943@cornell.edu by January 1st 2023. We will pick the top three NYS 4-H youth with the most logged hours to receive merchandise from the NYS 4-H Horse Program.
