Once a requirement has been completed, no further coursework will be placed under that requirement. If you have any questions, or find something that needs to be changed or added to this summary, please contact the CALS Student Services office at calss-studentservices@cornell.edu. Please be as specific as possible when sending your request.

This summary does not include the requirements for your major.

1. Intro Life Sci/Biology
   - min 6 credits

2. Humanities & Social Science
   - 4 courses of at least 3 credits in 3 different categories. No more than two courses from the same course subject. One course must be in the Diversity category (D).
   - need 2 more course(s) in 1 more category(ies) of Hum & Soc. Sci. Take a Diversity class.
   - Course | Credits
   - PHIL 2131 (KCM) | 3.00
   - PSC 1003 (SBA) | 3.00
   - Total | 6.00

3. Written & Oral Communication
   - min 9 credits
   - need 2 credit(s) of Written Expression, and need 3 credit(s) of Written or Oral Expression.
   - Course | Credits
   - UW 1020 | 4.00
   - Total | 4.00

4. CALS Credits
   - min. 55 (courses in blue are transfer credits that also count as CALS)
   - Course | Credits
   - BISC 1112 | 4.00
   - BISC 2454/2456 | 4.00
   - GEOG 1002 | 4.00
   - GEOG 2104 | 3.00
   - STAT 1127 | 3.00
   - Total | 18.00

5. Advisor
   - Marc Goebel
   - Major: Environment & Sustainability
   - Math Course: STAT 1127
   - Swim Test: 0.00
   - PE Courses*: 42.00
   - Total Credits: 55.00
   - Credits Required to Graduate: 120.00

* the Swim Test and PE requirements do not apply to Transfer Students

Below is a list by term of those classes that have been successfully completed or accepted into CALS as transfer credits. If you would like to look at the grades of all of your classes, you should order an official transcript free of charge from the University Registrar’s Office.

Transfer Credit Course Evaluation

*DUST shows your progress towards graduation requirements, including distribution requirements, CALS credits, and total credits. DUST will be updated at the completion of every semester throughout your time at CALS.*

**Page 1: Distribution Overview**

1. The blue underlined title indicates the distribution category. The black text underneath shows the minimum number of credits to fulfill the requirement.
   a. Introductory Life Sciences/Biology requires a minimum of 6 credits
2. The next line of text shows how many credits left or if the requirement is fulfilled. It may be listed as credits or courses.
   a. This student needs 2 more courses of Humanities & Social Science, one of which must be a diversity course.
3. Completed courses that fulfill requirements will appear with their respective credit value. The total number of credits completed for each distribution is also listed. Note that courses will appear as the course number from the previous institution.
   a. UW 1020 counted for 4 credits.
4. Transfer courses that count for CALS credits are listed in blue, with their respective credit value and credit total. Students are required to fulfill 55 CALS credits. CALS credits are courses offered by departments within CALS.
   a. 5 of this student’s courses counted for CALS credits, totaling 18 CALS credits. This student will need to take 37 more CALS credits.
5. The total amount of completed credits is listed here. For transfer student, this will be the total number of credits that successfully transferred. Students must complete 120 credits to graduate.
   a. This student brought in 42 credits. They will need to complete 78 more.

**Page 2: Semester Overview**

6. Total credits brought in each semester. This list will continue to be updated as students complete semesters at CALS. AP Credits will be list as their own “semester” if applicable.
   a. From Fall 2020, this student brought in 10 credits.
7. Y/N indicates which courses counted for CALS credit, with the total CALS credit per semester listed on the right.
   a. GEOG 1002 and BISC 1112 counted for CALS credits, totaling 8 CALS credit for Spring 2021.
