

THE INSTITUTE FOR FOOD SAFETY AT CORNELL UNIVERSITY

Meeting Regulatory Requirements

WHO WE SERVE

We serve farmers and processors who need to comply with federal regulatory requirements such as the Food Safety Modernization Act (FSMA). Our expertise in fresh produce, dairy, juice, and food processing allows us to address food safety challenges that stretch from farms to consumers' tables.

FREQUENTLY ASKED QUESTIONS

Who offers the training courses?

- The Institute for Food Safety at Cornell University (IFS@CU) and its collaborating programs listed below offer courses:
 - Cornell Food Venture Center
 - Dairy Foods Extension Program
 - Cornell Microbial Food Safety and Quality and Outreach Program
 - Fruit, Vegetable & Juice Processing and Safety
 - Produce Safety Alliance
 - Seafood HACCP Alliance

How do I find out more information about the courses?

- Visit the IFS@CU website to find links to course descriptions and to download the Food Science Extension and Institute for Food Safety Course Catalog: cals.cornell.edu/ifs/trainings

How do I register for courses?

- Register online with the program administering the course.
- See page two for the list of courses and the websites that contain registration and pricing information.

TRAININGS OFFERED

Food Safety Modernization Act (FSMA):

- FSPCA Preventive Controls for Human Food
- FSPCA Foreign Supplier Verification Programs
- FSPCA Intentional Adulteration Conducting Vulnerability Assessments Course
- Produce Safety Alliance Grower Training
- Produce Safety Alliance Train-the-Trainer

Hazard Analysis and Critical Control Points (HACCP):

- Basic HACCP
- Juice HACCP
- Seafood HACCP

Food Manufacturing, Processing and Packaging:

- Better Process Control School
- Good Manufacturing Practices (GMPs) Part 117
