

THE INSTITUTE FOR FOOD SAFETY AT CORNELL UNIVERSITY

GMPs Part 117 Online Course

COURSE DESCRIPTION

This online course covers the requirements of 21 CFR Part 117– Current Good Manufacturing Practice, Hazard Analysis, and Risk-Based Preventive Controls for Human Food. It addresses the revisions made to the previous regulation, 21 CFR 110, as part of the Food Safety Modernization Act (FSMA).

CURRICULUM OVERVIEW

The course consists of 12 different modules (listed below). Students have 12 weeks to review each module at their own pace. Students must complete quizzes at the end of each module with a passing score of 100% to earn a Certificate of Course Completion issued by the Institute for Food Safety at Cornell University (IFS@CU).

- Module 1** – GMP Regulation & Training
- Module 2** – Food Safety: Microbes & Allergens
- Module 3** – Personnel: Health & Hygiene
- Module 4** – Plant Grounds & Pest Control
- Module 5** – Plant Construction & Design
- Module 6** – Sanitary Facilities: Water, Plumbing & Toilets
- Module 7** – Sanitary Operations: Cleaning & Sanitizing
- Module 8** – Equipment & Utensils
- Module 9** – Plant Operations & Raw Materials
- Module 10** – Manufacturing Operations: Process Controls
- Module 11** – Warehousing, Food Disposition & Defects
- Module 12** – Building Sanitation Procedures

WHO SHOULD TAKE THIS COURSE?

This course is intended for supervisors, middle level managers, quality control personnel, and anyone responsible for ensuring that food processing, wholesale and warehouse operations, or other facilities, meet current GMP requirements.

COURSE REGISTRATION

The IFS@CU is hosting and managing the GMPs Part 117 Online Course. The course fee is \$200, which is payable by credit card or check. Discounts are available for groups with 20 or more participants.

Contact the Institute for Food Safety at Cornell University for inquiries regarding the course and group discounts:
